

Hello Everyone

Just a quick message this week as there is one important piece of information you all need to be aware off.

But first, an apology to Dilsher Bagri who won the trophy a couple of weeks ago. In my message I said that Vikrant had won the trophy when it was in fact Dilsher so sorry for the confusion and WELL DONE Dilsher. And a BIG WELL DONE to this week's winners who were Samuel Jarnet and Roman Dudley.

Enjoy your trophies boys as you worked hard to get them. Please remember to bring them back next week :-)

\*\*\*\*IMPORTANT NEWS\*\*\*\*

Sadly we will no longer be training at North Maidenhead Cricket Club this Sunday due to the fact that they decided to charge us £100.00. We used their facilities for free last year so this was a big shock and we do not have £100.00 in our pot from sponsorship at the moment anyway. SO:

"Littlewick Green Cricket Club [www.littlewickgreencricketclub.net](http://www.littlewickgreencricketclub.net) have kindly offered their facilities between 09.45 and 11.45 for "U6 Rugby Training and non-Tournament playing U7s. Although not charging, any donations to LGCC cricket club would be very well received as would any budding cricketers for next year's cricket season, dads or children :-).

Directions: Follow A4 towards Reading from the Thicket Roundabout (over the A404). Pass 'The Shire Horse' Pub on your left and take 2nd exit of next round about. Pass 'Ocean Fusion' on your right and the next left is Jubilee Road. 100 yards along Jubilee Road, you will see 4 big trees on your left, please park here and then head towards the village hall (with the balcony) which is on the road opposite the trees. it is VERY IMPORTANT that people park under and next to the large trees at the junction of Gilchrist Way and Jubilee Road. NO CARS must go on the cricket pitch. Cars can also park on the longer grass next to the tree's. There are also a few spaces on the road outside 'The Cricketers' pub who do fantastic pub food if you fancy staying for lunch :-)

Littlewick Green is a very quiet village so. Please park orderly and responsibly and PLEASE PLEASE PLEASE respect the village and its residents.

Any questions then please come back to me. See you on Sunday

Michelle Fuller
