

Hello everyone

My apologies for the newsletter being so late this week but I am glad to report that I have found my jesters hat and will be proudly wearing it again this Sunday. I think Rosie hid it last week so she did not have to wear it while she did an amazing job of standing in for me last Sunday. Thank you so much Rosie for your help :-)

The trophy winners this week were James Golding and Alfie Agar. Well done to you both and an extra well done to Alfie as it was his first training session. I always feel upset that we cannot give out more trophies every week as all the children work hard, listen and try and I know how much it means for them to win the trophies. Keep up the good work everyone and please always remember to bring the trophies back for the next person to take home with them.

This week's newsletter: Training & Weather, Membership, Bringing dogs to training and sponsorship:

Training and Weather:

Training this Sunday is in our normal place, inside the race track, starting at 10am. If you are able to come a little early and get tag belts and tags onto your children, then this will always help the session start on time.

Sadly, the weather forecast is not great but we can always keep our fingers crossed. But to be prepared, please remember gloves and hats and spare clothing (especially gloves) as it is hard on the young children when they are feeling not just cold but wet too. The rest of the club is away again this week, at Bracknell so there should be lots of parking for everyone :-)

Membership:

I would like to thank everyone who has paid over the last few weeks and apologise to those who have paid via PayPal but I am still asking for your membership to be paid. For some reason, I am not been notified when people are paying by PayPal so please can I ask that you just send me a copy of the PayPal receipt you get so I can take you off my list and not have to keep bothering you. Everyone else who has not paid, then I will be coming to chat to you. For all the new people, please remember that you do not have to pay for your membership until your child has come to us for 2 weeks and has decided they would like to continue.

Bringing Dogs to Training:

Unfortunately, a few people have been irresponsible with their dogs hence MRFC has issued the following statement: Dogs at Braywick - Following a few incidents involving members allowing their dogs to foul on and around the playing areas could we issue a polite reminding that we have a standing rule that parents do not bring dogs to matches/training whether they are kept on a lead or not.

Sponsorship:

I am pleased to report that we made £60.00 at our Cup Cake sale and I would like to thank you all for your contributions. This money will be split between the U6 and U7 age groups so thank you again. We are planning a social event in February, for the parents of the U6 and U7 children so keep a look out for more information coming to you in the newsletters

That's it for this week folks except to say that I am looking forward to seeing you all on Sunday in my Jesters hat.
